Subject: CAFOD Assembly today

I would like to thank you for giving me the opportunity to address your pupils today, with our Give it Up campaign for Lent 2018.

The children were magnificent in their attention and enthusiasm. I am sure they will be equally enthusiastic in getting into the campaign.

You are to be congratulated on such a well-managed and loved school.

My thanks to Gail as my technical assistant. Sorry we could not get the video to work!

If you need any more material such as Give it up Stickers just let me know.

Regards,
