Aim

The aim of this policy is to ensure that a concern or complaint is managed sympathetically, efficiently and at the appropriate level and resolved as soon as possible.

We will try to resolve every concern or complaint in a positive way with the aim of resolving the issue in a transparent manner. The Trust and school would hope that most concerns can be resolved informally and will treat seriously and confidentially all concerns whether raised informally or formally.

We need to know as soon as possible if there is any cause for dissatisfaction. Parents and pupils should never feel, or be made to feel, that a complaint will adversely affect a pupil or impact on their opportunities at the school.

The policy distinguishes between a concern or difficulty which can be resolved informally and a formal complaint which will require further investigation.

How to raise a concern or make a complaint

A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on behalf of a complainant, as long as they have appropriate consent to do so.

A form is provided in Appendix 1 if you would prefer to use this. If you require help in completing the form or submitting your concern or complaint in any way, please contact the school office.

We will consider making reasonable adjustments if required, to enable complainants to access this complaints policy. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Time scales

You must raise a complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Scope of this complaints policy

This policy covers all complaints about any provision of community facilities or services by the school, other than complaints that are dealt with under other statutory procedures, including those listed below:

Exceptions	Who to contact
Admissions to schools	Handled under a separate process – either through the appeals process or via the local authority.
Matters likely to require a Child Protection Investigation	Handled under our Child Protection/Safeguarding Policy and in accordance with relevant statutory guidance. For serious concerns, you may wish to contact the local authority designated officer (LADO) who has local responsibility for safeguarding or the Multi-Agency Safeguarding Hub (MASH). LADO Contact Number – 03000 268835 After a successful pilot the method for contacting the LADO has been changed permanently, where contact will be facilitated through dedicated customer service staff via telephone ONLY. Using email or the previous referral form will no longer be possible. Basic referral information will be obtained from you, and where advice or guidance is required from the LADO, your call will be transferred to the LADO on duty. If there is a more appropriate course of action for your referral, you will be advised by the customer service team at the time.
Exclusion of children from school*	Further information about raising concerns about exclusion can be found at: www.gov.uk/school-discipline-exclusions/exclusions . For Trust support contact Director of Student Welfare, Andrea Riley at ary@bwcet.com <i>*complaints about the application of the Behaviour Policy can be made through this Complaints Policy.</i>
Whistleblowing	Handled under the Whistleblowing Policy (all employees, temporary staff and contractors). The Secretary of State for Education is the prescribed person for whistle-blowers in education who do not want to raise matters direct with their employer. Referrals can be made at:

	www.education.gov.uk/contactus . Volunteers with concerns should complain through this Complaints Policy. You may also be able to complain directly to the Trust via the Trust Complaints Policy (Statutory Information – BWCET) or the Department for Education (see link above), depending on your complaint.
Staff grievances	Handled under the Resolution Policy.
Staff conduct	Handled under the Disciplinary Policy, if appropriate. Complainants will not be informed of disciplinary action taken against a staff member as a result of a complaint. The complainant will be notified that the matter is being addressed.
SEND Complaints	Handled under the schools SEND Policy.
Data Protection related complaints	Complaints regarding Data Protection matters, including those received direct from the Information Commissioner’s Office (ICO), must be referred to the Trust DPO immediately upon receipt (GDPR@BWCET.com). In certain circumstances, the ICO may invoke tight timescales for a response, therefore it’s important to act immediately.

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. If this happens, we will inform you of a proposed new timescale.

If a complainant commences legal action against the school in relation to their complaint, we will consider whether to suspend the complaints procedure until those legal proceedings have concluded.

Resolving complaints

It is important that any complainant co-operates with the school in seeking a solution. At each stage, the school wants to resolve the issue. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the issue will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology

Withdrawal of a complaint

Complainants who wish to withdraw their complaint are asked to confirm this in writing.

Stage 1 – Informal

Most concerns or complaints can be resolved informally. Therefore, it is recommended that they are raised with the class teacher in the first instance. If this is not possible or appropriate the following procedures apply:

- Complaints against school staff (except the Headteacher) should be made to the Acting Executive Headteacher, Mr David Miller, via the school office. Please mark them as Private and Confidential.
- Complaints that involve or are about the Headteacher should be addressed to the Chair of Governors, via the school office. Please mark them as Private and Confidential.
- Complaints about the Chair of Governors, other Governors or the whole Local Governing Committee should be addressed to the Clerk to the Governing Body via the school office. Please mark them as Private and Confidential.

Complainants should not approach Governors to raise concerns or complaints.

The concern or complaint will be investigated and an informal response will be provided within 5 school days of the date of receipt of the concern/complaint. If the issue remains unresolved, the next step is to make a formal complaint.

Stage 2 – Formal Complaints

Formal complaints must be made to the Headteacher (unless they are about the Headteacher), via the school office. This may be done in person or in writing (preferably on the Complaint Form in Appendix 1).

The Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint. They will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see, either by letter or email within 5 school days, if necessary. The Headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

The Headteacher will investigate the complaint or they may delegate this to another member of the leadership team or appoint an investigating officer to investigate the complaint where appropriate or appoint an investigating officer. They will not delegate the decision to be taken.

During the investigation, the Headteacher (or investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

The Headteacher will provide a formal written response within 10 school days of receipt of the complaint. If unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will:

- detail actions taken to investigate the complaint;
- provide a full explanation of the decision made and the reason(s) for it;
- where appropriate, will include details of actions the school will take to resolve the complaint;
- will include how the complainant can escalate their complaint if they remain dissatisfied with the outcome of Stage 2.

Complaints about the Headteacher must be made to the Chair of Governors, via the school office and the Chair of Governors will complete all the actions at Stage 2.

Complaints jointly about the Chair and Vice Chair, the entire Local Governing Committee or the majority of the Local Governing Committee must be made to the Trust CEO, Nick Hurn, via the school office and he will complete all actions at Stage 2.

Stage 3 – Committee Hearing

If the complainant is dissatisfied with the outcome at Stage 2 they can escalate the complaint to Stage 3. This request must be addressed to the Clerk to the Local Governing Committee, via the school office, within 10 school days of receipt of the Stage 2 response. Requests received outside of this time frame will only be considered if exceptional circumstances apply.

A committee will be convened, consisting of at least three people who were not directly involved in the matter detailed in the complaint, including one person independent of the school.

The Stage 3 request will be acknowledged by letter or email within 5 school days.

The Clerk will aim to convene a meeting within 15 school days of receipt of the Stage 3 request and will write to the complainant to inform them of the date. If that is not possible, the Clerk will provide an anticipated date. The Clerk will request further written material to be submitted to the Committee from the complainant in advance of the meeting.

The complainant will be invited to the meeting. If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions. A complainant may bring someone along to the panel meeting to provide support. This can be a relative or friend.

Any written material will be circulated to all parties at least 7 days before the meeting. The Committee will not accept as evidence recordings of conversations that were obtained without the informed consent of all parties being recorded.

If the complaint is jointly about the Chair and Vice Chair, the entire Local Governing Committee or the majority of the Local Governing Committee Stage 3 will be heard by the two members of the Trust Board and an independent panel member.

The Committee will not accept new complaints at Stage 3 or consider evidence unrelated to the initial complaint. New complaints must be raised at Stage 1.

The meeting will be held in private. Electronic recordings of meetings or conversations are not permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before any recording would take place and consent recorded in the minutes.

The Committee can uphold the complaint in whole or in part or dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will decide on appropriate action to resolve the complaint and where appropriate, recommend changes to systems/procedures to prevent similar issues in the future.

The Chair of the Committee will respond to the complaint in writing by letter or email (copied to the school and person/s complained about) within 10 school days of the meeting giving:

- an explanation of the Committee decision and the reason/s for it;
- where appropriate, details of actions the school will take to resolve the complaint;
- details of how to contact the Education and Skills Funding Agency (ESFA) if they complainant is dissatisfied with the way their complaint has been handled.

Retaining Records Relating to Complaints

The UK Data Protection legislation states that any record that includes personal data must not be kept for any longer period than is necessary to fulfil its purpose. Records relating to complaints must therefore only be retained in line with the Trusts Data Retention Policy and Schedule.

A copy of the response will be retained for inspection by the Trust and the Headteacher. A written record will be kept of all complaints, and at what stage they were resolved and any action taken by the school as a result of those complaints (regardless of whether they are upheld).

Correspondence, statements and records relating to individual complaints are to be kept confidential except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

Confidentiality

All parties involved in a Stage 3 Complaint Committee Meeting will be reminded that the discussion is confidential. All parties are bound by this confidentiality and will be asked to agree to this as part of the meeting.

Other Invited Parties

In the invitation to the meeting, a complainant will be advised that they may bring someone to the meeting with them to support them or to represent them. Where another party has been brought to the meeting to support a complainant they have no active role in the meeting. Where another party has been brought to the meeting to represent a complainant, they will speak on behalf of the complainant.

Any witness brought to support a presentation will only be present at the appropriate point to give their witness statement and will then be asked to leave the meeting.

Anonymous Complaints & Serial/Unreasonable Complaints

The school will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors (if appropriate), will determine whether the complaint warrants investigation.

The school are committed to dealing with all complaints fairly and impartially. Whilst we will not normally limit the contact complainants have with our school we do not tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

The school defines unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the school. Details of such behaviour are noted in Appendix 2.

Complainants should try to limit their communication with the school that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, an appropriate party will discuss any concerns with the complainant informally before applying an '*unreasonable*' marking.

Next Steps

Stage 3 is the end of the schools process. If the complainant believes the school did not handle their complaint in accordance with this Complaints Policy or they acted unlawfully or unreasonably they can contact the ESFA after they have completed Stage 3.

The ESFA will not normally reinvestigate the substance of complaints or overturn any decisions made by schools but will consider whether the school adhered to education legislation and any statutory policies connected with the complaint and

whether they have followed [Part 7 of the Education \(Independent School Standards\) Regulations 2014](#).

The complainant can refer their complaint to the ESFA online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:
